WHISTLE

The first line of the whistle score. The musical staff is in G major (one sharp) and 2/4 time. It contains 16 measures of music. Below the staff is a corresponding line of whistle notation, where each note is represented by a vertical column of dots. The first measure has 4 dots, and subsequent measures have 4 or 5 dots. A 'D' is written to the left of the first measure, and a '+' is written below the 10th measure.

WHISTLE

The second line of the whistle score. The musical staff contains 16 measures. The whistle notation below consists of vertical columns of dots. A 'D' is written to the left of the first measure, and a '+' is written below the 10th measure.

WHISTLE

The third line of the whistle score. The musical staff contains 16 measures. The whistle notation below consists of vertical columns of dots. A 'D' is written to the left of the first measure, and a '+' is written below the 10th measure.

WHISTLE

The fourth line of the whistle score. The musical staff contains 16 measures. The whistle notation below consists of vertical columns of dots. A 'D' is written to the left of the first measure, and a '+' is written below the 10th measure.

WHISTLE

The fifth line of the whistle score. The musical staff contains 16 measures. The whistle notation below consists of vertical columns of dots. A 'D' is written to the left of the first measure, and a '+' is written below the 10th measure.

WHISTLE

The sixth line of the whistle score. The musical staff contains 16 measures. The whistle notation below consists of vertical columns of dots. A 'D' is written to the left of the first measure, and a '+' is written below the 10th measure.
