The image shows a musical score for a tin whistle in the key of D major. The score consists of two systems. The top system features a treble clef, a key signature of one sharp (F#), and a melody line. Below the melody line are two rows of fingering diagrams. Each diagram consists of a vertical column of six circles representing the holes of the whistle. Filled circles indicate holes to be covered, and empty circles indicate holes to be left open. Some diagrams include a '+' sign at the bottom, likely indicating a specific breath or fingering technique. The bottom system continues the melody line with another row of fingering diagrams below it.
