

Star of the County Down

WHISTLE D

The first line of music consists of 16 measures. Below each measure is a whistle fingering diagram for the D key. The diagrams use black dots for fingers to be pressed and white circles for fingers to be lifted. Some diagrams include arrows pointing to specific holes to indicate breath control or slurs.

WHISTLE D

The second line of music consists of 16 measures. Below each measure is a whistle fingering diagram for the D key, following the same notation as the first line.

WHISTLE D

The third line of music consists of 16 measures. Below each measure is a whistle fingering diagram for the D key. The diagrams include a '+' sign in the first measure and arrows in the 15th and 16th measures.

WHISTLE D

The fourth line of music consists of 16 measures. Below each measure is a whistle fingering diagram for the D key. The final measure contains an ellipsis (...) to indicate the end of the piece.
